Suggestions to Consider for Packing:

You may check two (2) 50 lb. bags on your flight. Bag #1 will be a roller bag that contains your personal belongings, clothes and toiletries for the trip. Bag #2 will be a soft duffel that contains your community service donations. Once empty, this duffel can be folded and stored in the roller suitcase or donated to the school.

Your daypack/backpack, approximately 25 liters, should be used as your carry on bag for the plane. This pack will hold your passport, all money, electronics, jacket, change of clothes and all personal medications.

The overnight flight back to the States can get very chilly. Consider bringing a travel pillow and warm jacket.

We look forward to traveling with you!
